COLLEGE CREDIT VS. DUAL CREDIT

The courses listed above will be registered for college credit through MCC. If you are taking these courses only for college credit, or you are a homeschooled student, you may **skip this section** and **proceed** to the **Student Acknowledgement** below.

Dual credit courses allow students to earn both college credit from MCC and high school credit from their school district. College credit and high school credit are not equivalent — *only the high school can determine whether high school credit is awarded*. If you would like MCC to verify that the instructor holds the required NDE certification before registering, please indicate below.

Before selecting this option, confirm with your high school that the course may be accepted for high school credit.

I confirm that my high school accepts college coursework for dual credit and I am requesting dual credit for the course(s) above.
(This step does not apply to homeschooled students).

STUDENT ACKNOWLEDGEMENT

The signature below signifies that the information provided is complete and accurate. I understand that courses offered at MCC have college-level content and standards and I will be graded accordingly. I agree to comply with the College's [Student Code of Conduct](#) and all requirements outlined in the course syllabus. I understand that all credit hours and grades will appear on my official MCC transcript and that grades earned may impact future academic standing and financial aid eligibility. I understand that once I am registered in a college course, I control access to my college records under the Family Educational Rights and Privacy Act (FERPA). My parent(s)/legal guardian may not access my records or request changes to my registration or academic record unless I complete the [Authorization to Release Student Information](#) form.
