

Statement Regarding International Student Health Insurance

Metropolitan Community College (MCC) has partnered with Academic HealthPlans (AHP) and Wellfleet to provide you with health insurance for the **2026-2027 academic year**. MCC requires F-1 students to pay health insurance premiums on a quarterly basis; no waivers to this policy are available. If you do not make the full payment, you will not be allowed to register for classes at MCC, and this may cause you to be out of status. No exceptions will be made for partial payment options.

The estimated payment per quarter is \$743 USD.

NOTE: If you are being sponsored by your government and have insurance, please provide proof of insurance coverage for ISS to review. If you cannot provide the requested documentation, you will be enrolled in AHP - Wellfleet insurance through MCC. You would then need to pay your premium before you may enroll in classes.

I understand that I will be required to pay the premium for Academic Health Plans (AHP) - Wellfleet insurance each quarter before I may register for classes. I understand that there are no waivers to this policy and that if I have other insurance, I will still need to enroll in AHP - Wellfleet insurance. I further understand that if Metropolitan Community College (MCC) chooses a different insurance company in the future, I will be required to enroll in that new international student health insurance. I understand rates are subject to change at any time.
